

Universal Videoconferencing Plasma Floor Stand

Heavy Duty up to 110kg panel weight (BMT70B or BMT70S)

BLACK

SILVER

Description

Universal Plasma or LCD Floor stand for screens between 52" and 80". Ideally suited to touch screen interactive displays. It comes complete with 100mm castor wheels with brakes; two shelves for components; full cable management; Universal top shelf for VC Camera or Centre speaker; and protection 'arms' to wheel the unit around safely, whilst protecting the mounted screen. (These can be positioned vertically or horizontally to suit) A security Backing plate also comes with it to hide and protect internal cables. Similar to our standard BMTB except the post is made from 1.6mm 250 grade steel instead of 1.2mm and the base is made from 4mm 250 grade steel plate instead of 3mm. Extra support gussets are put into the base to cater for the extra panel weight.

Dimensions	Base	600mm x 800mm x 200mm
	Main Post	1200mm high (standard)*
	Shelves	Equipment x 2 (300mm x 450mm) Camera x 1 (190mm x 270mm)
Max Hole Centres	Height	460mm
	Width	660mm
